1. EXECUTIVE SUMMARY

Moore Stephens LLP conducted the financial audit of the UN Women Project "WARO AWP 2012-2013 MRF", ID: 83049 (the project), directly implemented by the UN Women Regional Office in Senegal for the year ended 31 December 2017. The audit was undertaken on behalf of UN Women's Independent Evaluation and Audit Services (IEAS).

We have issued audit opinions as summarised below and detailed in the next section:

Project trial balance - statement of expenditures Unmodified Statement of fixed assets Unmodified

We have not raised any audit findings or recommendations as a result of our audit.

2. THE AUDIT ENGAGEMENT

Audit objectives and scope

The objective of the financial audit was to express an opinion on the Directly Implemented (DIM) project's financial statements which include:

- Expressing an opinion on whether the financial expenses incurred by the project between 1 January and 31 December 2017 and the funds utilization as at 31 December 2017 are fairly presented in accordance with UN Women's accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UN Women; and (iv) supported by properly approved vouchers and other supporting documents. The project trial balance (PTB), certified by the UN Women Chief of Accounts at the Financial Management Section of the Management and Administration Division at the Headquarters, is the mandatory and official statement upon which the audit opinion is expressed.
- Expressing an opinion on whether the statement of fixed assets presents fairly the balance of assets of the UN Women project as at 31 December 2017. This statement must include all assets available as at 31 December 2017 and not only those purchased in a given period. The statement of fixed assets as at 31 December 2017, certified by the UN Women Chief of Accounts at the Financial Management Section of the Management and Administration Division at the Headquarters, is the mandatory and official statement upon which the audit opinion is expressed. Where a DIM project does not have any assets or equipment, an opinion is not expressed.

The scope of the audit relates only to transactions concluded by the regional office and recorded against the UN Women DIM project between 1 January and 31 December 2017. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties"¹, unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as expenditures initiated
 at other UN Women regional or country offices and UN Women Headquarters for which the
 supporting documentation is not retained at the level of the UN Women country office².

¹ Responsible Parties", (RPs) in the context of UN Women implemented projects, refers to governmental, NGO or CSO entities who have received funding through the respective UN Women country office to undertake specific elements of the project's activities. These activities are governed by a Project Cooperation Agreement, or similar, signed by the entity and UN Women, along with the associated budget. Expenditure incurred by these RPs is reported to the UN Women country office on a quarterly basis, where it is subject to review and approval prior to being recorded within the project's financial records. UN Women headquarters provide for such expenditure to be audited separately, with the individual projects and RPs selected on the basis of a risk assessment applied on a global level. While it is not certain that any or all of the RPs who reported expenditure on a project selected for a DIM audit will necessarily have been audited for the period under review, the provision for such audits, within the remit of the internal audit function of UN Women, means that the expenditure does not need to be included as part of the DIM project audit scope.

² The project financial records may include items which are not directly posted by the regional office, such as centrally managed payroll costs or year-end journals or allocations. Such transactions fall within the remit of UN Women's internal and external auditors, and are therefore not re-audited within the scope of the DIM project.

3. AUDIT OPINIONS

Independent auditor's report

Certified project trial balance - statement of expenditures

Report of the independent auditor to the Independent Evaluation and Audit Services of UN Women for the UN Women Senegal directly implemented (DIM) project:

"WARO AWP 2012-2013 MRF" (ID: 83049)

Unmodified opinion

We have audited the accompanying project trial balance – statement of expenditures (PTB), "the statement" of the UN Women regional office in Senegal Directly Implemented (DIM) project 83049, 'WARO AWP 2012-2013 MRF' for the period 1 January to 31 December 2017. The PTB expenditures totaling US\$1,559,014 comprise audited expenditures of US\$1,163,683 under the Directly Implemented Modality (DIM) and expenditure incurred by entities other than the regional office in Senegal for an amount of \$395,3313. Our audit only covered the expenditure directly incurred by the regional office in Senegal of US\$1,163,683.

In our opinion, the attached project trial balance – statement of expenditures of the UN Women project presents fairly, in all material respects, the expenses of US\$ 1,163,683 incurred by the project 'WARO AWP 2012-2013 MRF' for the period from 1 January to 31 December 2017 in accordance with UN Women accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UN Women; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibilities for the audit of the project trial balance' section of this report.

We are independent of UN Women in accordance with the International Ethics Standards Board for Accountants (IESBA) Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of UN Women

Management is responsible for the preparation of the project trial balance for the project 'WARO AWP 2012-2013 MRF' and for such internal control as management determines is necessary to enable the preparation of a project trial balance that is free from material misstatement, whether due to fraud or error.

³ The expenditure outside of the scope of the audit, comprised the following:
Amounts processed by the East and Southern Africa regional office – US\$ 72,000 (in respect of a consulting firm)
Amounts processed by UN Women headquarters – US\$ 81,392 (primarily in respect of goods and equipment)
Amounts processed by the UNDP regional office – US\$ 175,664 (in respect of payroll)
Amounts incurred by "responsible parties" – US\$ 66,274

Auditor's responsibilities for the audit of the project trial balance

The scope of our audit is as set out in our terms of reference and includes obtaining reasonable assurance about whether the amount of project expenditure reported by the UN Women regional office is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion on that expenditure. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of the reported project expenditure.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the reported project expenditure, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the partner's internal control.

We communicate with those charged with governance, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Mark Henderson Partner Moore Stephens LLP 150 Aldersgate Street London EC1A 4AB

Date: 17 July 2018

Certification for statement of fixed assets

Unmodified opinion

We have audited the accompanying statement of fixed assets ("the statement") of the UN Women project number 83049, 'WARO AWP 2012-2013 MRF' as at 31 December 2017.

In our opinion, the attached statement of fixed assets presents fairly, in all material respects, the balance of assets of the UN Women project 'WARO AWP 2012-2013 MRF' amounting to US\$ 254,315.55 as at 31 December 2017 in accordance with UN Women accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the Auditor's responsibilities section of this report.

We are independent of UN Women in accordance with the International Ethics Standards Board for Accountants' (IESBA) Code of Ethics for Professional Accountants and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the statement of fixed assets of the project, and for such internal control as management determines is necessary to enable the preparation of a statement of fixed assets that is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the statement of fixed assets is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement of fixed assets.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement of fixed assets, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Mellen.

Chief of Accounts

Date: 5 April 2018

ANNEX III – PRIORITIES OF AUDIT RECOMMENDATIONS

The audit observations are categorised according to the priority of the audit recommendations and the possible causes of the issues. The categorised audit observation provides a basis by which the UN Women country office management is to address the issues.

The following categories of priorities are used:

High (critical)	Action is considered imperative to ensure that UN Women is not exposed to high risks. Failure to take action could result in major consequences and issues.					
Medium (important)	Action is considered necessary to avoid exposure to significant risks. Failure to take action could result in significant consequences.					
Low	Action is considered desirable and should result in enhanced control or better value for money. Low priority recommendations, if any, are dealt with by the Auditors directly with the Office management, during the exit meeting and through a separate memo subsequent to the fieldwork. Therefore, low priority recommendations are not included in the audit report.
